She thought it was just a deal and that they would each take what they needed. She had never thought that she would lose her heart because of his pestering her. Just as she was about to make the connection, he asked her for a divorce without any warning. She didn't hesitate to sign her name. She went out to clean up. In the game of love, she had lost everything. All she had left was three months of her life. When they met again five years later, she held another man's hand. She smiled and nodded at him with her big belly before walking past him without even looking back ...

Named one of 10 Best New Management Books for 2022 by Thinkers50 A Wall Street Journal Bestseller  
"...this guide provides readers with much more than just early careers advice; it can help everyone from interns to CEOs." — a Financial Times top title You've landed a job. Now what? No one tells you how to navigate your first day in a new role. No one tells you how to take ownership, manage expectations, or handle workplace politics. No one tells you how to get promoted. The answers to these professional unknowns lie in the unspoken rules—the certain ways of doing things that managers expect but don't explain and that top performers do but don't realize. The problem is, these rules aren't taught in school. Instead, they get passed down over dinner or from mentor to mentee, making for an unlevel playing field, with the insiders getting ahead and the outsiders stumbling along through trial and error. Until now. In this practical guide, Gorick Ng, a first-generation college student and Harvard career adviser, demystifies the unspoken rules of work. Ng distills the wisdom he has gathered from over five hundred interviews with professionals across industries and job types about the biggest mistakes people make at work. Loaded with frameworks, checklists, and talking points, the book provides concrete strategies you can apply immediately to your own situation and will help you navigate inevitable questions, such as: How do I manage my time in the face of conflicting priorities? How do I build relationships when I'm working remotely? How do I ask for help without looking incompetent or lazy? The Unspoken Rules is the only book you need to perform your best, stand out from your peers, and set yourself up for a fulfilling career.

## **The Unspoken Rules**

“Thubten is able to explain meditation using clear language and an approach which really speaks to our modern tech-infused lives.” —Rami Jawhar, Program Manager at Google Arts & Culture In our never-ending search for happiness we often find ourselves looking to external things for fulfillment, thinking that happiness can be unlocked by buying a bigger house, getting the next promotion, or building a perfect family. In this profound and inspiring book, Gelong Thubten shares a practical and sustainable approach to happiness. Thubten, a Buddhist monk and meditation expert who has worked with everyone from school kids to Silicon Valley entrepreneurs and Benedict Cumberbatch, explains how meditation and mindfulness can create a direct path to happiness. A Monk’s Guide to Happiness explores the nature of happiness and helps bust the myth that our lives and minds are too busy for meditation. The book can show you how to: Learn practical methods to help you choose happiness Develop greater compassion for yourself and others Learn to meditate in micro-moments during a busy day Discover that you are naturally ‘hard-wired’ for happiness Reading A Monk’s Guide to Happiness could revolutionize your relationship with your thoughts and emotions, and help you create a life of true happiness and contentment. “His writing is full of inspiration but also the pragmatism needed to form a sustainable practice. His book clearly illustrates why we all need meditation and mindfulness in our lives.” —Benedict Cumberbatch “[A] powerful debut . . . a highly accessible and jargon-free introduction to meditation.” —Publishers Weekly

“You'll always be by my side and I by yours.” Those are the words said by the can-do-nothing-for-himself university professor Yukinari Nishina. His childhood friend Miyu enjoys nothing more than spending time with the man she has secretly always been I love with. But something has always bothered her. And that is the way he always tells her not to come see him after 9pm. She follows that until one day she simply has to go see him after 9 and as she enters his room she sees... a Yukinari like she has never seen before. He roughly grabs her and covers her ears, his hot breath falling on her ears. This isn't the man she fell in love with! She suddenly starts to both fear and want him and their relationships barriers quickly begin to crumble once she learns his secret.

How is it possible for a young, homeless woman to overcome abuse, endure the foster care system, and rise to prominence to help others? CinderGirl tells Christina Meredith's incredible story of how she overcame these hardships to earn the title of Miss California and become an advocate for the vulnerable. Born into a large, working-class family in upstate New York, Christina endured years of abuse before entering the foster care system as a teenager. With nowhere to turn after she graduated from high school, Christina lived in her car for almost a year, working three jobs to survive. As she prayed in her car every day, Christina had no idea that in just a few years, her suffering would help others find healing. But she did know that she was destined for more, and she refused to give up hope, no matter the circumstance. In CinderGirl, Christina tells her piercing and poignant story of leaving behind homelessness to become Miss California and the founder of a nonprofit organization that provides advocacy for foster care children. With stunning vulnerability, Christina invites us into her childhood home and the heart of a child longing to be loved, challenging us to dig deeper into our own personal courage, even in the most difficult conditions. And in return, you'll learn how to: Dream big, even when you're at rock bottom Embrace the inherent worth that is yours in Christ Jesus Deepen your faith and your relationship with God Praise for CinderGirl: \"Christina Meredith's life experience and real-life Cinderella story are beyond inspirational to me, and I'm so proud of her. She is an overcomer like few I've ever read about. But what impresses me the most is her desire to transform the foster care system and use her challenges to better the next generation.\" --Kristen Dalton-Wolfe, bestselling author and former Miss USA \"Christina Meredith's story, which she tells with unique courage, follows a young woman's rise out of vulnerability, homelessness, and abuse to become a soldier, leader, and pillar in her community. Christina's spirited and empathetic soul shines through every page.\" --Jason Jones, author, activist, film producer

An eye-opening, funny, painful, and always truthful in-depth examination of modern relationships, and a wake-up call for single women about getting real about Mr. Right, from the New York Times bestselling author of *Maybe You Should Talk to Someone*. You have a fulfilling job, great friends, and the perfect apartment. So what if you haven't found "The One" just yet. He'll come along someday, right? But what if he doesn't? Or what if Mr. Right had been, well, Mr. Right in Front of You—but you passed him by? Nearing forty and still single, journalist Lori Gottlieb started to wonder: What makes for lasting romantic fulfillment, and are we looking for those qualities when we're dating? Are we too picky about trivial things that don't matter, and not picky enough about the often overlooked things that do? In *Marry Him*, Gottlieb explores an all-too-common dilemma—how to reconcile the desire for a happy marriage with a list of must-haves and deal-breakers so long and complicated that many great guys get misguidedly eliminated. On a quest to find the answer, Gottlieb sets out on her own journey in search of love, discovering wisdom and surprising insights from sociologists and neurobiologists, marital researchers and behavioral economists—as well as single and married men and women of all generations.

## **Marry Him**

The self-employment revolution is here. Learn the latest pioneering tactics from real people who are bringing in \$1 million a year on their own terms. Join the record number of people who have ended their dependence on traditional employment and embraced entrepreneurship as the ultimate way to control their futures. Determine when, where, and how much you work, and by what values. With up-to-date advice and more real-life success stories, this revised edition of *The Million-Dollar, One-Person Business* shows the latest strategies you can apply from everyday people who--on their own--are bringing in \$1 million a year to live exactly how they want.

## **The Million-Dollar, One-Person Business, Revised**

In 2001, Dr. Wayne Dyer wrote a book called *10 Secrets for Success and Inner Peace*, based on the most important principles he wanted his children to live by. Serena Dyer, one of those children, has contemplated these ideas throughout her life. "Don't die with your music still in you" has been the most important principle for Serena: to her, it means that you don't allow yourself to live any life other than the one you were born to live. In this book, Serena sets out to explain what it was like to grow up with spiritual parents. She touches upon all ten of her dad's original secrets, imparting her own experiences with them and detailing how they have affected the way she approaches various situations in life. She shares stories, struggles, and triumphs—and Wayne, in turn, contributes his own perspective. This unique father-daughter collaboration will warm the hearts of all parents . . . and inspire anyone who is looking to find the "music" inside themselves.

## Don't Die with Your Music Still in You

Chiro-chan is a world-class idol...at least, to Sakiko Manaka, your run-of-the-mill hard-core idol fan. So when Chiro—real name Chihiro—ends up sitting next to her in school, Sakiko's world is turned upside-down, and all her brain cells vanish. After all, how can she concentrate when her absolute fav is just inches away?! But she needs to be on her A-game, because she may not be the only one who is totally gaga for Chihiro...
