Thirst

NEW YORK TIMES BESTSELLER • An inspiring personal story of redemption, second chances, and the transformative power within us all, from the founder and CEO of the nonprofit charity: water. At 28 years old, Scott Harrison had it all. A top nightclub promoter in New York City, his life was an endless cycle of drugs, booze, models—repeat. But 10 years in, desperately unhappy and morally bankrupt, he asked himself, "What would the exact opposite of my life look like?" Walking away from everything, Harrison spent the next 16 months on a hospital ship in West Africa and discovered his true calling. In 2006, with no money and less than no experience, Harrison founded charity: water. Today, his organization has raised over \$750 million to bring clean drinking water to more than 17.4 million people around the globe. In *Thirst*, Harrison recounts the twists and turns that built charity: water into one of the most trusted and admired nonprofits in the world. Renowned for its 100% donation model, bold storytelling, imaginative branding, and radical commitment to transparency, charity: water has disrupted how social entrepreneurs work while inspiring millions of people to join its mission of bringing clean water to everyone on the planet within our lifetime. In the tradition of such bestselling books as *Shoe Dog* and *Mountains Beyond Mountains*, *Thirst* is a riveting account of how to build a better charity, a better business, a better life—and a gritty tale that proves it's never too late to make a change. 100% of the author's net proceeds from *Thirst* will go to fund charity: water projects around the world.

An Unquenchable Thirst

NAMED ONE OF THE BEST BOOKS OF THE YEAR BY KIRKUS REVIEWS "A candid, generous, and profound spiritual memoir that deserves a great deal of thoughtful discussion."—Anne Rice At seventeen, Mary Johnson experienced her calling when she saw a photo of Mother Teresa on the cover of Time magazine; eighteen months later she began her training as a Missionary of Charity, a nun in Mother Teresa's order. Not without difficulty, this boisterous, independent-minded teenager eventually adapted to the sisters' austere life of poverty and devotion, but beneath the white-and-blue sari beat the heart of an ordinary young woman who faced daily the simple and profound struggles we all share, the same desires for love and connection. Eventually, after twenty years of service, Johnson left the church to find her own path, but her magnificently told story holds universal truths about the mysteries of faith and how a woman discovers herself. Includes new material: Two reading group guides—for groups that wish to take different approaches to the book; a conversation between Mary Johnson and Mira Bartók, author of The Memory Palace; and Mary Johnson's recommended reading list. "A wonderful achievement . . . Johnson opens the window on a horizon of spiritual questions [and] takes an unflinching look inside her own heart."—The Christian Science Monitor "An incredible coming-of-age story . . . [It] has everything a memoir needs: an inside look at a way of life that most of us will never see, a physical and emotional journey, and suspense."—Slate "Reads like a novel . . . an exacting account of a woman growing into her own soul."—More magazine "Engaging, heartfelt and entertaining . . . [Johnson] articulates her struggles with her God in words that will hit home."—Los Angeles Times "An inspiration that transcends any particular religious belief . . . An Unquenchable Thirst is a journey that captivates, but its resonance lies in the life examined."—The Denver Post

They Thirst

A vampire turns Los Angeles into a city of the dead in this novel by the New York Times–bestselling and Bram Stoker Award–winning author of *Swan Song*. The Kronsteen castle, a gothic monstrosity, looms over Los Angeles. Built during Hollywood's golden age for a long-dead screen idol with a taste for the macabre, it stands as a decaying reminder of the past. Since the owner's murder, no living thing has ever again taken up residence. But it isn't abandoned. Prince Conrad Vulkan, Hungarian master of the vampires, as old as the centuries, calls it home. His plan is to replace all humankind with his kind. And he's starting with the psychotic dregs of society in the City of Angels. The number of victims is growing night after night, and so is Vulkan's legion of the dead. As a glittering city bleeds into a necropolis, a band of vampire hunters takes action: an avenging young boy who saw his parents devoured; a television star whose lover has an affinity for the supernatural; a dying priest chosen by God to defend the world; a female reporter investigating a rash of cemetery desecrations; and LAPD homicide detective Andy Palatazin, an immigrant who survived a vampire attack in his native Hungary when he was child and has been hunting evil across the globe for decades. Palatazin knows that to stop the Prince of Darkness, one must invade his nest. He knows it's also a suicide mission. But it's the only way to save the city—and the world—from vampire domination. "Suspenseful, exciting, and visceral," *They Thirst* is one of the earliest novels by the versatile author of such masterpieces as *Boy's Life*, *The Wolf's Hour*, and the Matthew Corbett series (Kirkus Reviews).

Thirst for Power

Although it is widely understood that energy and water are the world's two most critical resources, their vital interconnections and vulnerabilities are less often recognized. This farsighted book offers a new, holistic way of thinking about energy and water—a big picture approach that reveals the interdependence of the two resources, identifies the seriousness of the challenges, and lays out an optimistic approach with an array of solutions to ensure the continuing sustainability of both. Michael Webber, a leader and teacher in the field of energy technology and policy, explains how energy and water supplies are linked and how problems in either can be crippling for the other. He shows that current population growth, economic growth, climate change, and short-sighted policies are likely to make things worse. Yet, Webber asserts, more integrated planning with long-term sustainability in mind can avert such a daunting future. Combining anecdotes and personal stories with insights into the latest science of energy and water, he identifies a hopeful path toward wise long-range water-energy decisions and a more reliable and abundant future for humanity.

One of the world's most revered wine merchants and importers, Kermit Lynch changed the way Americans drink wine and the way the French make it. Kermit Lynch's retail shop in Berkeley, California, is a legendary mecca for people who enjoy good wine. Lynch is also a greatly admired writer on the subject. His monthly brochure has been the medium for expressing his philosophy since the early seventies, offering readers not only a wine education, but entry into moldy old cellars and glittering three-star restaurants. It is full of passion, principle, and humor, and peopled by a cast of characters like Patricia Wells, Richard Olney, Lulu Peyraud, Jim Harrison, and many more. In INSPIRING THIRST, Lynch presents under one cover the best of his engaging, highly personal (sometimes cantankerous) accounts of winemakers and their rare potions. A Guide to Stoicism

"Darwish is the premier poetic voice of the Palestinian people . . . lyrical, imagistic, plaintive, haunting, always passionate, and elegant—and never anything less than free—what he would dream for all his people." — Naomi Shihab Nye "Catherine Cobham's translations sway delicately between mystery and clarity, giving a rendition of the master's voice that should impress both those reading Darwish's work for the first time and those who are already familiar with it." — Fady Joudah, *The Guardian* This remarkable collection of poems, meditations, fragments, and journal entries was Mahmoud Darwish's last volume to come out in Arabic. *River* is at once lyrical and philosophical, questioning and wise—full of irony, resistance, and play. Darwish's musings on unrest and loss dwell on love and humanity; in the pages of *River*, myth and dream are inseparable from truth. Throughout this personal collection, Darwish returns frequently to his ongoing (and often lighthearted) conversation with death, warning that "eternity does not visit graves and loves to joke."

Inspiring Thirst

Thirst is the latest novel translated into English by award-winning novelist Mahmoud Dowlatbadi. Following the critical success of his acclaimed 2013 novel *The Colonel*, for which he won the Jan Michalski

Prize for Literature, *Thirst* is profound, humane and mischievous in its humour, shining a light on the madness and the absurdity of a brutal war. On a strategic hill overlooking the frontier, Iraqi and Iranian troops battle for access to a water tank. The troops are delirious with thirst and on the brink of madness. They are, moreover, characters in a novel being written by an Iraqi journalist. That is, if he is given the chance to write it, a chance denied him by an Iraqi major who is in charge of a military prison and who commands the journalist to write a fictitious report about a murder in the camp aimed at demoralising the enemy soldiers. At the same time, on the other side of the border, an Iranian author writes the story of the same troop of soldiers but from an Iranian perspective. He, likewise, is interrupted, not by external forces, but by memories of his first encounter with a gun... Told in a kaleidoscopic style that weaves between the ongoing battle and the struggles of the writer, *Thirst* is rich with dark humour and surreal images. The emphasis on maintaining humanity and individual identity in the midst of a dehumanising conflict shows, once again, why Mahmoud Dowlatbadi is the most important Iranian novelist writing today.

Count Me In

This acclaimed short story collection “veers between whimsical postmodern playfulness and a darker realism [with] sophisticated comic flare” (Publishers Weekly). Distinguished by black comedy and an international perspective, Ken Kalfus’ stories demonstrate the author’s chameleon-like ability to change mode, manner, and voice. They often concern the abrupt dislocation of people bumping into different cultures, be they real, hallucinated, dreamed, or desired. Kalfus’ characters — which include an endless line of refugees fleeing Sarajevo with no particular destination; an Irish au pair plagued by her own psychosexual fears in a Paris science museum; and an entirely fictitious baseball league — are constantly thumping their heads against a shifting reality. These sympathetic portraits of human beings caught in the tectonic cultural shifts that disrupt our lives are frequently hilarious, consistently touching, and powerfully creative. “A book for people who piss and moan about the unpromising future of American fiction.” —David Foster Wallace

Thirst

THIRST is a living testimony of the author of God's promise in Acts 1: 8 on the empowerment of the Holy Spirit to make believers witnesses for Him in their own locality, and indeed, all over the world. Born in a remote village in South India, her first knowledge of God came through a picture of Jesus with John 3: 16 printed at the back, given to her as a small child by a British missionary. A temporary spiritual set back occurred after the death of her beloved father, but her undying thirst for God and the encounter with the Giver of the living waters resulted in rivers flowing freely from within her blessing those around her. This book will satisfy all who have a longing for spiritual growth, for all lovers of Christ Jesus and the wonderful paths in which He leads His children. The unquenchable thirst that the author had to be filled with the gifts of the Holy spirit became her life experience which she deserves to pass on to her readers in words of simplicity and grace, each chapter dealing with a specific gift.

The Waters of Thirst

The prize-winning author “entices lucky readers with a dissenting, potentially heretical, refreshingly fascinating interpretation” of Jesus’s life (Shelf Awareness). The Francophone Belgian author Amélie Nothomb has won high praise for her provocative and philosophical novels, including *Fear and Trembling*, which won the prestigious Prix du Roman. Now Nothomb presents a highly original reexamination of an all-too-familiar story. In a first-person voice as wry as it is wise, Nothomb narrates Jesus’s final days, from his trial to his crucifixion to the resurrection. Amid asides about his relationships with his mother and Judas, his love for Mary Magdalene, and his many miracles, we find a man struggling with his humanity and his exceptional nature, straddling the line between human and deity, the son of a formless, omnipotent creator in the fallible form of a man.

Supping With Panthers

There are countless ways to attempt to quench our thirst, but only one way truly satisfies it. Each person harbors an inner craving, a longing for something or someone, and we all pursue contentment through diverse avenues. Some of us navigate life by indulging in worldly pleasures, knowing well that with each sip, we only sink deeper into despair. In *I Thirst*, Osby delves into the profound significance of Jesus's declaration: “I am thirsty.” He explores how this moment serves as a poignant example for us all--not merely to obey our thirst, but to surrender it. *I Thirst* embarks on a personal journey with assessments and prayers, where individuals confront their struggles and mistakes in pursuit of inner fulfillment. Osby candidly shares his testimonies and shortcomings to illustrate that amidst life's trials, there exists a supernatural and innate longing for someone who can quench our deepest thirst.
