This part of the paper is especially impactful due to its successful fusion of theoretical insight and empirical practice. *Blame It On The Wto* does not merely describe procedures and instead weaves methodological design into the broader argument. The outcome is a cohesive narrative where data is not only reported, but explained with insight. As such, the methodology section of *Blame It On The Wto* functions as more than a technical appendix, laying the groundwork for the subsequent presentation of findings.

With the empirical evidence now taking center stage, *Blame It On The Wto* presents a multi-faceted discussion of the insights that emerge from the data. This section not only reports findings, but engages deeply with the research questions that were outlined earlier in the paper. *Blame It On The Wto* shows a strong command of result interpretation, weaving together quantitative evidence into a well-argued set of insights that advance the central thesis. One of the distinctive aspects of this analysis is the method in which *Blame It On The Wto* navigates contradictory data. Instead of downplaying inconsistencies, the authors embrace them as opportunities for deeper reflection. These inflection points are not treated as limitations, but rather as springboards for reexamining earlier models, which lends maturity to the work. The discussion in *Blame It On The Wto* is thus marked by intellectual humility that welcomes nuance. Furthermore, *Blame It On The Wto* intentionally maps its findings back to existing literature in a well-curated manner. The citations are not token inclusions, but are instead engaged with directly. This ensures that the findings are not isolated within the broader intellectual landscape. *Blame It On The Wto* even reveals echoes and divergences with previous studies, offering new angles that both extend and critique the canon. What truly elevates this analytical portion of *Blame It On The Wto* is its skillful fusion of empirical observation and conceptual insight.
