Lumberjanes Vol. 13

The woods surrounding Miss Qiunzella Penniquiquil Thistle Crumpet's Camp for Hardcore Lady-Types are home to more incredible magical critters and beings than anyone could possibly imagine...unfortunately, on this particular day, it's pouring rain, and each and every 'Jane has been tasked with just one job: stay inside, stay dry, and DON'T get into trouble. Confined to the Mess Hall, Jo and Molly give tabletop roleplaying a try, while Ripley, April, and Mal venture a little further afield after discovering a secret tunnel beneath the Kitchens...and the colossal prehistoric bug that lives there! Hey, they're not technically outside, right? Written by Shannon Watters and Kat Leyh (Super Cakes, Roadkill Witch), and illustrated by talented newcomer Dozerdraws, this New York Times bestseller, multiple Eisner-Award and GLAAD Award-winning series delivers the power of friendship and summer-time memories you'll never forget!! Collects issues #49-52

A Broken Flute

A Broken Flute: The Native Experience in Books for Children is a companion to its predecessor published by Oyate, Through Indian Eyes: The Native Experience in Books for Children. A compilation of work by Native parents, children, educators, poets and writers, A Broken Flute contains, from a Native perspective, 'living stories,' essays, poetry, and hundreds of reviews of 'children's books about Indians.' It's an indispensable volume for anyone interested in presenting honest materials by and about indigenous peoples to children

Batman Vol. 13: The City of Bane Part 2

The epic finale of Tom King's Batman run! The bad guys thought they had it made with Bane in control, but with Batman back in Gotham City they'll be reminded what justice feels like...and how it hurts when it hits you in the face. With Catwoman at his side, the Caped Crusader is looking to take down Bane's army and reclaim his city. But is the Dark Knight Detective ready to take on the foe who broke him worse than any other that came before? And what else stands in Batman's way, to put an obstacle between him and his enemy? Batman and his allies have a choice: let Bane stay in power and guarantee the city's survival, or risk everything to break free! Collects Batman #80-85 and Annual #4.

Fruits Basket Ultimate Edition Volume 6

Tohru Honda is an orphaned teenager who comes to live with the Sohma family in exchange for housekeeping duties, but she soon comes to know the family secret.

The Fourth Ruby

Jack and Gwen are back in this dynamic follow-up to The Lost Property Office. It's been a year since Jack Buckles discovered the Keep beneath Baker Street, an underground tower no Section Thirteen was ever supposed to see; a year since his dad fell into a coma. Nothing has been the same since. Jack's tracker abilities are on the fritz, Gwen's not speaking to him and, what's worse, there's a pounding voice in his head calling for "the flame." Then, Jack and Gwen are framed for the theft of a historic crown jewel—the Black Prince's Ruby, one of three cursed rubies said to bring knowledge, loyalty, and the command of nations to whomever wields them all. Now, they must retrieve the other jewels before the true thief does, or risk unleashing a reign of terror unlike anything history's ever seen.

Model Rules of Professional Conduct

The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.

Kamisama Kiss, Vol. 19

The school trip to Okinawa is turning out to be the opposite of a good time for Nanami and her friends. A terrible storm has shut down the island, and it turns out the bad weather is being caused by an enraged mermaid who won't rest until her stolen robe of feathers is returned. Nanami tries to get the robe back from Kirihito, who takes it to help him rescue his body from the Land of the Dead, but ends up drained of her vital energy! Can her shinshi Tomoe and Mizuki put aside their difference long enough to save their kamisama, or is Okinawa doomed?! -- VIZ Media

Catalogue of the Library of the United States Senate

This invaluable volume set of Advances in Geosciences continues the excellent tradition of the Asia-Oceania scientific community in providing the most up-to-date research results on a wide range of geosciences and environmental science. The information is vital to the understanding of the effects of climate change, extreme weathers on the most populated regions and fastest moving economies in the world. Besides, these volumes also highlight original papers from many prestigious research institutions which are conducting cutting edge studies in atmospheric physics, hydrological science and water resource, ocean science and coastal study, planetary exploration and solar system science, seismology, tsunamis, upper atmospheric physics and space science.

Bulletin

Reprint of the original, first published in 1876.

House documents

Vols. for 1903- include Proceedings of the American Physical Society.

Annual Report of the Public Printer ...

In 1917, women won the vote in New York State. Suffrage and the City explores how activists in New York City were instrumental in achieving this milestone. Santangelo uncovers the ways in which the demand for women's rights intersected with the history, politics, and culture of New York City in the Gilded Age and Progressive Era. The fight for the vote in the nation's largest metropolis demanded that suffragists both mobilize and contest urban etiquette, as they worked to gain visibility and underscore their cause's respectability. From the Polo Grounds to the Lower East Side, organizers championed political equality to anyone who would listen in the early twentieth century. Their Fifth Avenue parades showcased the various Manhattan subcultures, including industrial laborers, teachers, nurses, and even socialites, that they transformed into a broad coalition by the 1910s. Films and newspapers broadcasted their tactics to rest of the country, just as the national suffrage organization decided to draw on Gotham's resources by moving its own headquarters to midtown and thereby turning Manhattan into the movement's capital. The city's mores,

rhythms, and physical layout helped to shape what was possible for organizers campaigning within it. At the same time, suffragists helped to redefine the urban experience for white, middle-class women. Combining urban studies, geography, and gender and political history, *Suffrage and the City* demonstrates that the Big Apple was more than just a stage for suffrage action; it was part of the drama. As much as enfranchisement was a political victory in New York State, it was also a uniquely urban and cultural one.

Bulletin of the Bureau of Rolls and Library of the Department of State

Germany's war against the Soviet Union raised a small army of child soldiers. Thousands of those below the enlistment age served with regular and paramilitary formations, even though they were not formally mobilised or allowed at the front. For several decades after the war, these youngsters played an important part in Soviet remembrance culture, though their true experiences were obscured by the myth of the Great Patriotic War. Situated at the crossroads of social, cultural, and military history, *Little Soldiers* is the first to tell the story of the Soviet Union's child soldiers in a critical and systematic fashion. Focusing on the mechanisms and psychological consequences of propaganda on Soviet children, as well as their combat deployment, Kucherenko adopts a three-tier approach to writing the history of childhood: 'from above', 'from below', and 'from within'. A wide variety of new sources provide insight into young soldiers' combat motivations and the roles they played in the field, as well as their routine experiences and relationship with older comrades. Far from being victims, Soviet child soldiers emerge as independent social actors capable of making choices about their behaviour. *Little Soldiers* interconnects with matters of increasing importance: the role of propaganda in military conflicts, the totalization of warfare, child-soldiering, and social reflexivity.

Report of the Department of the Interior ... [with Accompanying Documents].

Astronomy and Astrophysics Abstracts, which has appeared in semi-annual volumes since 1969, is devoted to the recording, summarizing and indexing of astronomical publications throughout the world. It is prepared under the auspices of the International Astronomical Union (according to a resolution adopted at the 14th General Assembly in 1970). Astronomy and Astrophysics Abstracts aims to present a comprehensive documentation of literature in all fields of astronomy and astrophysics. Every effort will be made to ensure that the average time interval between the date of receipt of the original literature and publication of the abstracts will not exceed eight months. This time interval is near to that achieved by monthly abstracting journals, compared to which our system of accumulating abstracts for about six months offers the advantage of greater convenience for the user. Volume 18 contains literature published in 1976 and received before March 1, 1977; some older literature which was received late and which is not recorded in earlier volumes is also included.
