

Sparky!

Sparky!

A little girl wants a pet. She's not fussy, any will do. Her mother said no to a bird and bunny and trained seal. Then she agrees to the sloth, Sparky! Sloths don't know how to fetch. Or roll over. But they sure know how to play dead. What's an eager pet owner to do?

Joe and Sparky, Superstars!

When Joe the giraffe and his friend Sparky, a turtle, see a television talent show, Joe tries to find Sparky's talent so that they can compete.

Sparky the Firefly

Sparky the Firefly and his woodland friends are ready to go to a party! But Sparky's tail just won't light up. Find out who wants to help, and what Sparky learns about being a firefly. Features colorful PVC buttons and light feature.

Sparky and Me

In the tradition of *Tuesdays With Morrie*, Dan Ewald pens a memoir of his friendship with legendary Tigers manager Sparky Anderson, the man who taught him not only the nuances of baseball, but the importance of life's unwritten rules. Few sports figures, regardless of their position, have generated as much good will as Sparky Anderson, the legendary manager for the Cincinnati Reds and the Detroit Tigers. Sparky met author Dan Ewald, in 1979, and thus was born a lifelong friendship not likely ever to be seen again in baseball. Along the way, Dan never took for granted the front row seat he had to watch one of history's most memorable managers' absolute mastery of baseball's nuances and intricacies. But the most important things Sparky taught Dan were the "unwritten rules" of life, which he practiced meticulously. To Sparky, a real professional was as great away from the diamond as he was on it. His goal was for his players to be the best husbands, fathers, and community leaders they could be—he believed that was the mark of a winner, not the box score. Sparky had a gift for taking something as inane as the infield fly rule and turning it into a lecture on how to lead a more meaningful life. In 2010, the old friends had planned a get-together before the end of the year. But Sparky's health was taking a turn for the worse, so Dan arranged a three-day visit as quickly as he could. During their last days together, the friends recalled the memories of a lifetime as each prepared silently for their final good-bye. When that weekend came to a close, Dan had grown to appreciate Sparky more than he ever thought he could. In this heartfelt memoir, Dan imparts to readers his best friend's spirit through his unforgettable life lessons and stories only the two of them shared. "Like a wizard, Sparky Anderson was white-haired and wise, and sitting with him was like visiting with an oracle. Dan Ewald, who spent more time with Sparky than any of us, beautifully captures the magic of Sparky's wit, humor, and humanity in these pages. All baseball fans should read it." -- Mitch Albom, New York Times bestselling author of *Tuesdays with Morrie* and *Have a Little Faith* "No one understood Sparky better than Dan Ewald. Managing people in a scope far broader than a pennant race is a rare quality, and Sparky understood people, their insecurities, their motivations. This is a great read, a great understanding of the humanity of playing baseball." --Peter Gammons, MLB Network "For decades, it seemed like everyone in baseball knew Sparky Anderson, and almost all of us considered him a friend. But few knew him as Dan Ewald did. Here, Dan provides a unique look at an endearing man who led a significant life both in and out of the game." --Bob Costas

Joe and Sparky Go to School

“A humorous, high-interest package . . . a hit.” — The Horn Book (starred review) The endearing and mismatched pals Sparky the turtle and Joe the giraffe accidentally latch on to a big yellow bus and leave the zoo for their first trip to school. There’s a lot to learn, and the goal of the day seems to be to get a star. But just when Joe fears that he may have to go home starless, Sparky reminds him of all the ways that his loyal friend already shines.

Joe and Sparky Get New Wheels

\“Turtle Sparky enjoys the safety of his shell while giraffe Joe is up for any adventure. . . . Utterly charming.\” — Kirkus Reviews (starred review) Sparky is a turtle who likes to stay inside his shell. Joe is a giraffe who likes to stretch his neck and see the world. When a car appears one day at the famous cageless zoo where they live, the two set off on the ride of their lives, with Joe behind the wheel and Sparky hanging on for dear life. From the shopping mall to the car wash to the take-out burger joint, Joe and Sparky cause mayhem everywhere they go. Young readers will love sharing the road with this unlikely pair in a string of adventures that are by turns innocent, charming, and laugh-out-loud funny.

Sparky the Squirrel

It was in a swamp in south Georgia by a big river. Sparky was the only baby squirrel of Mr. and Mrs. Sparks. Sparky was a bit spunky, always playing around.

Sparky's Electrifying Tale

What can two children and a hamster do about climate change and air pollution? Tina and Rory follow gasoline's trail from the age of the dinosaurs to the family car and beyond, their journey illuminated by the vivid imagination of their new pet hamster, Sparky. Just when Rory has had it with gasoline, Sparky magically finds a solution.

Officer Buckle and Gloria

One of the funniest winners of the Caldecott Medal, this story of unlikely friends getting over a misunderstanding is a sure-fire crowd-pleaser. Officer Buckle knows more about safety than anyone in the town of Napville. But whenever he tries to share his safety tips, nobody listens. Until, that is, the Napville Police Department gets a police dog named Gloria. Unbeknownst to Officer Buckle, Gloria has her own way of demonstrating safety tips—one that makes Napville sit up and take notice! Suddenly, everyone wants to hear Officer Buckle's safety speech. \“And please,\” people say, \“bring along that police dog.\” When Officer Buckle discovers he's been upstaged, he vows to give up safety tips once and for all. Can Gloria convince her friend to return to the job he loves, or is Napville about to have its worst accident ever?

Old Sparky

A shocking exploration of America’s preferred method of capital punishment. In early 2013, Robert Gleason became the latest victim of the electric chair, a peculiarly American execution method. Shouting Póg mo thóin (“Kiss my ass” in Gaelic), he grinned as electricity shot through his system. When the current was switched off, his body slumped against the leather restraints, and Gleason, who had strangled two fellow inmates to ensure his execution was not postponed, was dead. The execution had gone flawlessly—not a guaranteed result with the electric chair, which has gone horrifically wrong on many occasions. Old Sparky covers the history of capital punishment in America and the “current wars” between Edison and Westinghouse that led to the development of the electric chair. It examines how the electric chair became the

most popular method of execution in America before being superseded by lethal injection. Famous executions are explored, alongside quirky last meals and poignant last words. The death penalty remains a hot topic of debate in America, and Old Sparky does not shy away from that controversy. Executions have gone spectacularly wrong, with convicts being set alight or needing up to five jolts of electricity before dying. There have been terrible miscarriages of justice, and the death penalty has not been applied even-handedly. Historically, African Americans, the mentally challenged, and poor defendants have been likely to get the chair, an anomaly which led the Supreme Court to briefly suspend the death penalty. Since the resumption of capital punishment in 1976, Texas alone has executed more than five hundred prisoners, and death row is full. Skyhorse Publishing, as well as our Arcade imprint, are proud to publish a broad range of books for readers interested in history--books about World War II, the Third Reich, Hitler and his henchmen, the JFK assassination, conspiracies, the American Civil War, the American Revolution, gladiators, Vikings, ancient Rome, medieval times, the old West, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

Sparky the Fire Dog

Meet Sparky. This adorable Dalmatian puppy is an important member of the team at the fire station. But he's more than just a cute character in a book: Sparky is the official spokesdog for the National Fire Protection Association (NFPA), and what he has to say can actually save lives. This canine hero rescued a little girl and her family, and now he's helping kids become junior fire inspectors right in their own homes. In colorful, appealing illustrations, Sparky takes a group of young animals through the neighborhood, pointing out hazards, giving basic fire prevention and safety tips, and showing them how to be prepared in case of an emergency. From having a working smoke alarm to being careful with candles and knowing where your exits are, Sparky's advice may be the most important thing children--and their parents--ever learn.

Sparky

It is springtime in the Khutzymateen Valley of northern British Columbia and the rainforest has again come alive after a long winter's nap. A new addition to the valley is Sparky, a frisky mischievous grizzly bear cub eager to explore the world the bears call Waipo. During Sparky's first summer there is much to learn; not only from his mother, but also from the other creatures of the forest and from nature itself. Sparky: The World's Most Lovable and Mischievous Bear Cub takes the reader on an intriguing journey into the lives of the elusive grizzly bear, as seen through the eyes of a first-year cub. This novel is based upon factual information and stories recorded by the author over a ten year period of studying and photographing the Khutzymateen Valley grizzly bears. This remarkable harborage is home to hundreds of species of flora and fauna, including approximately sixty grizzly bears. Shymanski has delicately woven her observations into a playful, heartwarming story to delight all ages. Sparky: The World's Most Lovable and Mischievous Bear Cub is a beautiful, magical tale of the mystical Khutzymateen Valley and the grizzly bears, who, if they could speak, might have told the story themselves.

Sparky (The Puppy Place #62)

Welcome to the Puppy Place! Where every puppy finds a home. Charles and Lizzie Peterson love puppies. Their family fosters these young dogs, giving them love and proper care, until they can find the perfect forever home. Lizzie's got some competition! At Caring Paws Animal Shelter to volunteer, she meets newcomer Harper. Like Lizzie, Harper loves and knows lots about dogs! But when Sparky, a tiny Chihuahua mix, arrives with an injured leg to the shelter, the two girls will have to team up to find this sweet and strong puppy a perfect home.

Sparky & Spike

Includes author's note about Charles Schulz.

Sparky, the Amazing Hero!

Sparky, the Amazing Hero! is a true story about an extraordinary dog who has dedicated his life to helping others. From saving lives to inspiring hope, Sparky's story is one that will warm your heart and make you believe in the power of the human-animal bond. Sparky was born in a small town in the Midwest. From the moment he was a puppy, he showed signs of being a special dog. He was intelligent, playful, and always eager to please. Sparky's owner, Pasquale De Marco, quickly realized that Sparky had a natural talent for helping others. Sparky's first heroic act came when he was just a year old. He saved a young child from drowning in a pool. Sparky's quick thinking and bravery earned him the title of \"hero dog.\" Since then, Sparky has gone on to save countless lives and inspire millions of people around the world. Sparky is a certified therapy dog and works with children with special needs. He also works with law enforcement and helps to find missing people. Sparky is a tireless advocate for animal welfare and has helped to raise awareness about the importance of spaying and neutering pets. Sparky's story is not just about his heroic acts. It is also about the power of love and compassion. Sparky is a dog who loves to make people happy. He is always there to lend a helping paw, and he always brings a smile to people's faces. In this book, you will learn all about Sparky's amazing life and the many ways he has made a difference in the world. You will also learn about Sparky's unique abilities and the special bond he shares with his owner. Sparky's story is one that will inspire you to be a better person and to make a difference in the world. Sparky, the Amazing Hero! is a book that will appeal to readers of all ages. It is a heartwarming story about the power of love, compassion, and heroism. Sparky's story is one that will stay with you long after you finish reading it. If you like this book, write a review on google books!

Sparky's Walk

An adopted pit bull/pointer mix named Sparky enjoys a nightly walk around her neighborhood that is anything but uneventful.

Sparky the Baby Green Dragon

\" A children's story about three Greek friends who on their way back from buying ice creams from a shop in the next village stop in a small olive grove and make a strange new friend - a baby green dragon named Sparky. Sparky is lost with only his dog for company and he doesn't know where his parents are. After befriending Sparky they find they have to try and teach him to do the basic things that dragons do. Fly and breathe fire. This is their story. \"

Sparky and the Waarheid Camera

Sparky and the Waarheid Camera is a darkly comic tale of oddballs, subterfuge, selfishness and disappointment, which contrast with the title character's charming innocence. The novel follows Sparky Donnelly, a ten-year-old boy whose superficially idyllic home life is about to shatter. Sparky is aware that something is wrong-a feeling which he experiences as a vague, indefinable dissatisfaction and naively attributes to his television-fueled perception that other people are living far more fun and exciting lives than he is. This idea obsesses Sparky and triggers an extraordinary dream of an entire day. Armed with several hundred dollars and a special camera that purportedly reveals the true essence of things rather than their outward appearance, Sparky gets a taste of a wide spectrum of dysfunctional and perverse adults in his travels. The conversations that ensue from these surreal encounters serve up slyly ironic and raunchy humor, including some unwittingly sardonic observations by Sparky himself.

Sparky Fights Back

Non-fiction narrative. True story of Sparky, a dog who survived a non-curable cancer. Written by the dog's owners. Special help section \"If Your Dog Gets Cancer\"

Sparky

The little electric tram's inability to keep his mind on his job leads him into serious trouble, but one heroic deed justifies his mistakes.

THE ADVENTURES OF SPARKY

This is the story of a little dog called Sparky who unfortunately gets lost. It tells of the Adventures he has as he tries to find his way back home. He makes lots of friends and enemies too and also manages to find time for a little romance. Read how he finds a best friend in Nelson, a one eyed cat and how he meets and makes friends with the Cat gang. He meets a lot of other animals on the way but beware of Brutus the very big dog and then of course there is the deadly Rat Pack. Sit back, relax and enjoy The Adventures of Sparky. Sparky and Phoebe are the only pets mentioned in this book, that are still alive and they plus the cats names and the three Kimmies are pets that Thelma and I have owned since we have been together.

Sparky and Benny's Big Home Mystery

In Roy J. Snell's novel 'Sparky Ames of the Ferry Command', readers are transported to the thrilling world of aviation during World War II. The book follows the adventures of Sparky Ames as he joins the Ferry Command, a group of pilots responsible for delivering aircraft to the front lines. Snell's writing style is engaging and informative, painting a vivid picture of the dangers and challenges faced by these brave pilots. The novel is a blend of action, suspense, and historical accuracy, making it a must-read for anyone interested in aviation history or wartime literature. The characters are well-developed, and the plot is filled with unexpected twists and turns that will keep readers on the edge of their seats. Overall, 'Sparky Ames of the Ferry Command' is a captivating and well-researched novel that offers a unique perspective on a lesser-known aspect of World War II. Roy J. Snell's passion for aviation and storytelling shines through in this compelling book.

Sparky Ames of the Ferry Command

«Sparky's Secret Garden of Wonders» is a story about a brave little dog named Sparky who discovers a hidden garden full of magical wonders. One day he comes across an old gate that leads to a hidden garden. He pushes his way through in a beautiful garden filled with sparkling fountains, colorful flowers, and talking animals. But the garden is not without its dangers, and Sparky must face his fears and overcome challenges if he is to unlock the full potential of the garden's magic.

Sparky's Secret Garden of Wonders

Summary about this story: \"When a storm brought dark clouds over the city, Sam, now known as Sparky, and his best friend Lily went on a quest to find out what was going on. Their journey led them to an abandoned laboratory and the secret legacy of Captain Techno, the city's missing protector. In their search for the missing \"Spark Suit,\" they overcame obstacles and brought the community together. Sparky's determination and the power of the suit got rid of the storm and brought the city together. The people of Techno Ville cheered for Sparky, their new hero, as his last burst of energy beat the Shadow Storm and the city was once again filled with sunlight. Sparky's legacy taught people about the power of working together, having courage, and how ordinary people can rise to meet extraordinary obstacles. As time went on, Sparky kept protecting Techno Ville from dangers, showing that everyone has the power to do great things. With a

renewed sense of community, kindness, and a shared goal, the city grew and thrived. Sparky's memory lives on in Techno Ville, a city that was once covered in darkness. This is a tribute to the bravery that saved the city and the unity that grew afterward. Sparky's memory has become an example of how to deal with problems, work together, and make the world a better place. The story of Sparky, the superhero kid who saved Techno Ville, showed that anyone can be a hero and start a fire of change that can light up the whole world.

The Story Starts: A little boy named Sam lived in the middle of the busy city of Techno Ville. Sam was always surrounded by the city's lively, exciting energy. Even though the streets were noisy because they were in a city, Sam was a normal kid who fit in well with regular life. The way he looked might not have made him stand out in a crowd, but his mind was full of insatiable curiosity and his heart held an amazing treasure trove of ideas. Sam's day consisted of going to school, playing sports, and doing many other things that kids do every day. But despite all the normal things that happened, he still had a special spark inside of him. This flame was fed by his strong interest in the unusual. Sam's best thing to do was to get lost in the colorful pages of comic books. Each one was a doorway to a world where heroes wore capes and masks to protect the world from evil. Sam's favorite comics were *The Amazing Spider-Man* and *The Amazing Spider-Man 2*. As the sun lit up Techno Ville's tall buildings and winding streets, Sam could often be found in a quiet corner of his room, surrounded by his favorite comic book collection. Sam's mind filled with vivid pictures of heroes like "Captain Valor" and "Star Sentinel," whose adventures jumped off the pages and into his head as he read them. Sam's heart rate went up as he turned the pages, and his eyes got bigger as he read about the great things the other characters did. Sam found a deep desire inside himself while listening to other people's stories of bravery and kindness. When he was by himself, he would often close his eyes and think about what it would be like to have amazing powers, like being able to fly through the sky or have a lot of strength. These goals weren't just daydreams; they were the start of a secret goal that he kept close to himself even as he dealt with the everyday problems of childhood. Sam was interested in superheroes for a lot more than just fun. It made him want to make a positive change in the lives of the people around him and gave him the drive to do so. He didn't want to just watch these larger-than-life characters from the sides; he wanted to join them and be a light in a dark world. He didn't want to just stand by and watch these people who were bigger than life. Sam's heart grew in Techno Ville, where tall towers reached for the sky and technology pulsed with a steady beat. There, his dreams, and reality met, and that's where he found the most happiness. As he read each comic book, he took in the ideas that his best fictional characters stood for, like having compassion for those in need and a strong will to keep going no matter what. These good qualities left a permanent mark on his heart and became the core of who he was. Sam's thoughts sometimes took him to a place where he was flying high above the city's skyline with a cape flowing behind him and looking down at the streets below. This would happen right before he went to sleep. He saw himself helping people who needed it, saving kittens who were stuck in trees, and stopping traffic so that old people could cross the street safely. The inspiration for these stories was the desire to bring love and light to a world that needed a hero. They were not just random thoughts or flights of fancy. Sam's hunger grew as the days went into weeks, and then into months. This pushed him toward an uncertain future. The days turned into weeks, which turned into months. After he finished each comic book, he realized that he wasn't just inspired by the books' heroic tales, but also by a strong sense of purpose. He wanted to make a world where fiction and reality were hard to tell apart and where the hero, he wanted to be not just a character on a page but a real-life example of hope. A young boy named Sam grew his dreams in the rich soil of his mind when he lived in Techno Ville, a place where dreams and reality were linked. He was no longer a bystander in the world of heroes. Instead, he was about to go on a trip that would turn him from an ordinary young man into an amazing force for good. Sam was about to be thrown into a future that was meant for him, one in which he would become the superhero he had always dreamed of becoming. Sam's goals were about to meet the heartbeat of the city, the pulse of its people, and the soul of Techno Ville itself.

The Adventures of Sparky: A Superhero Kid Saving the City

Sparky Sweets, PhD. and Wisecrack proudly present this outrageously funny, ultra-sharp guide to literature based on the hit online series, Thug Notes. Inside, you'll find hilarious plot breakdowns and masterful analyses of sixteen of literature's most beloved classics, including: *The Catcher in the Rye*, *To Kill A*

Mockingbird, Pride & Prejudice, The Color Purple, Hamlet, Things Fall Apart, and more! Thug Notes has been featured on BET, PBS, and NPR and has been used in hundreds of classrooms around the world. Whether you're a student, teacher, or straight-up literary gangster like Dr. Sweets, Thug Notes has got you covered. You'll certainly never look at literature the same way again.

Thug Notes

Mary's new in town. She's worried about starting classes at her new school. That's why her mom calls the Helper Hounds—and why Sparkplug, the wildly handsome, wickedly smart, card-carrying, world-famous Helper Hound is on the scene. Sparky knows a thing or two about moving. He moved four times as a puppy, and learned to make new friends along the way. Sparky knows he can teach Mary all his best tricks and help her meet new friends, too. At least Sparky thought he could until he met Custard, Mary's persnickety cat. Will Sparky's best tricks be enough to win over Custard and show Mary making friends is nothing to fear?

Sparky Helps Mary Make Friends

With whimsical, hand-painted illustrations, this fun and playful book tells the story of Sparky, all of his elf friends and, of course, Santa. Learn all about Sparky's wonderful adventures at the North Pole and how his elf friends helped him achieve a very special award from Santa himself. The book was inspired by the popular Christmas song, SPARKY THE ELF, and includes a FREE mp3 download of the song performed by Billy Anderson.

Sparky The Elf

The ingenious author of 17 Things I'm Not Allowed to Do Anymore and a brilliant illustrator and production designer of the Coraline movie have created a hilarious, touching picture book perfect for young animal lovers. Like the Caldecott Medal-winning Officer Buckle and Gloria, Sparky stars a pet who has more to offer than meets the eye. When our narrator orders a sloth through the mail, the creature that arrives isn't good at tricks or hide-and-seek . . . or much of anything. Still, there's something about Sparky that is irresistible. Winner of the Charlotte Zolotow Award

Sparky!

Mr. Anderson's style is as direct and down-to-earth as a hard, clean slide into second . . . Sparky! gives us not only a vivid portrait of baseball's most successful manager but also a refreshing view of a guy who has his head screwed on right.--The New York Times Book Review. Now available in paperback. 20 photographs.

Sparky!

This book is a collection of stories and letters about and from Charles Schulz in his early years - late 1940 to mid 60's.

They Called Him Sparkie

"Children will love the story for its charm and rollicking fun, and the salient points will make a lasting impression. A top choice for Fire Prevention Week." — School Library Journal Stop! Drop! Roll! Learning the rules of fire safety is a lot more fun (and less scary) when demonstrated by a charming and diverse group of animals. Alligator, Panda, Octopus, and the others work hard to master the rules of fire safety and perform the perfect fire drill, but thinking about fire is a bit nerve-wracking, and each of them reacts differently — often with hilarious results. Sprinkled with fascinating facts about animal behavior, this second story about the characters in Miss Mingo's one-of-a-kind class is sure to appeal to readers of all stripes.

Miss Mingo and the Fire Drill

The former "New York Times" bestseller is now available in trade paperback a quarter century after Golenbock's detailed examination of the 1979 New York Yankees World Series championship became hailed as one of the best baseball books written.

The Bronx Zoo

Irish inhabitants of the 'four obedient shires' - a term commonly used to describe the region at the heart of the English colony in the later Middle Ages - were significantly anglicised, taking on English names, dress, and even legal status. However, the processes of cultural exchange went both ways. This study examines the nature of interactions between English and Irish neighbours in the four shires, taking into account the complex tensions between assimilation and the preservation of distinct ethnic identities and exploring how the common colonial rhetoric of the Irish as an 'enemy' coexisted with the daily reality of alliance, intermarriage, and accommodation. Placing Ireland in a broad context, Sparky Booker addresses the strategies the colonial community used to deal with the difficulties posed by extensive assimilation, and the lasting changes this made to understandings of what it meant to be 'English' or 'Irish' in the face of such challenges.

Cultural Exchange and Identity in Late Medieval Ireland

As the artist behind the beloved Peanuts comic strip for more than 50 years, Charles Schulz—arguably the most famous cartoonist in the world—created a colorful cast of characters that continues to bring humor and comfort to millions of readers. In this distinctively designed yet highly accessible book, renowned children's biographer Beverly Gherman traces both the life events that shaped Schulz's art and the various ways in which art influenced his life in return. Acclaimed by artists ranging from Andrew Wyeth to Mo Willems, the artistic elements of Schulz's work are brought to life in a colorful layout and thoroughly explored in an enchanting text that will draw in even the most reluctant readers.
