

Pax

Pax

New York Times Bestseller * National Book Award Longlist From bestselling and award-winning author Sara Pennypacker comes a beautifully wrought, utterly compelling novel about the powerful relationship between a boy and his fox. Pax is destined to become a classic, beloved for generations to come. Pax and Peter have been inseparable ever since Peter rescued him as a kit. But one day, the unimaginable happens: Peter's dad enlists in the military and makes him return the fox to the wild. At his grandfather's house, three hundred miles away from home, Peter knows he isn't where he should be—with Pax. He strikes out on his own despite the encroaching war, spurred by love, loyalty, and grief, to be reunited with his fox. Meanwhile Pax, steadfastly waiting for his boy, embarks on adventures and discoveries of his own. . . . Pax is a wonderful choice for independent reading, sharing in the classroom, homeschooling, and book groups. Plus, don't miss Pax, Journey Home, the sequel to the award-winning and modern classic Pax.

Pax, Journey Home

From award-winning author Sara Pennypacker comes the long-awaited sequel to Pax; this is a gorgeously crafted, utterly compelling novel about chosen families and the healing power of love. A New York Times bestseller! It's been a year since Peter and his pet fox, Pax, have seen each other. Once inseparable, they now lead very different lives. Pax and his mate, Bristle, have welcomed a litter of kits they must protect in a dangerous world. Meanwhile Peter—newly orphaned after the war, racked with guilt and loneliness—leaves his adopted home with Vola to join the Water Warriors, a group of people determined to heal the land from the scars of the war. When one of Pax's kits falls desperately ill, he turns to the one human he knows he can trust. And no matter how hard Peter tries to harden his broken heart, love keeps finding a way in. Now both boy and fox find themselves on journeys toward home, healing—and each other, once again. As he did for Pax, Jon Klassen, New York Times bestseller, Caldecott medalist, and two-time Caldecott Honoree, has created stunning jacket and interior illustrations.

Pax Syriana

Pax Syriana provides readers with a broad picture of what has changed, and what has failed to change, in the Lebanese political system after the end of the civil war.

The Alcoholism and Addiction Cure

The Alcoholism and Addiction Cure contains the powerful three-step program to total recovery that is the basis of the miraculous success of the Passages Addiction Cure Center in Malibu, California. You'll learn the three steps to permanent sobriety; the four causes of dependency; how your thoughts, emotions, and beliefs are key factors in your recovery; and how to create your own personalized treatment program with the help of health professionals where you live—one that gets to the real, underlying causes of dependency. "Freedom from dependency starts with understanding that alcohol, drugs, and addictive behaviors are not the real problems," say Pax and Chris Prentiss, cofounders of Passages. "Alcohol, street drugs, nicotine, prescription medications, food bingeing, gambling, and the like are merely the substances or behaviors you or your loved ones are using to cope with the real problems—anything from deep emotional pain, ill health, or depression to hypoglycemia, a sluggish thyroid, or brain-wave pattern imbalances. Once the underlying problems are discovered and cured, the need for drugs, alcohol, or addictive behavior will disappear—along with the craving." Chris Prentiss should know. His son Pax was addicted to heroin, cocaine, and alcohol for ten years.

They sought help everywhere, but Pax relapsed again and again. In desperation, they finally created their own holistic, hand-tailored program that was a complete break from all other programs and that combined several effective therapies. It saved Pax's life. Together, father and son founded Passages to help others find their own freedom. For decades, we've been hearing that alcoholism and addiction are incurable diseases, but The Alcoholism and Addiction Cure proves that this is a dangerous myth and that the label of \"alcoholic\" or \"addict\" destroys the promise of full recovery. Visionaries and innovators, Pax and Chris Prentiss bring new hope to people everywhere who are dependent on drugs, alcohol, or addictive behaviors. This groundbreaking approach will show you how to end relapse, end addictive behavior, and end your suffering.

Konx Om Pax

Psychiatrist Gene Brewer doesn't have a diagnosis for the mysterious new patient who calls himself \"prot\" (rhymes with goat). But this strange and likeable man cannot be--as he claims--from the planet K-PAX. Or can he? Prot knows facts about space that are confounding the experts. He is soon revealing Dr. Brewer's own deepest pains and most sublime longings. And his tales of K-PAX have other patients competing to go along with him when he heads \"home\". Now the doctor is racing the clock to find prot's true identity before he losses a man whose \"madness\" might just save them all. . . Published in a dozens countries with movie rights sold to the producer of Field of Dreams, K-PAX has touched the hearts and expanded the horizons of readers around the world. It promises to join Robert Heinlein's classic Stranger in a Strange Land as a moving, thought-provoking masterpiece of modern-day fiction.

A mother fox describes how she loves her son no matter how he feels or what he does. On board pages.

I Love You Because You're You

Legend Has It is the fifth novel in a series which gives a new twist to the Prince Charming tale. The first four novels are Charming, Daring, Fearless & In Shining Armor.

Legend Has It

Cyrila has been warned that her neighbors know she is half Jewish--grounds for certain arrest in their Nazi-occupied town. A cruel twist of fate places Cyrila in a terrible dilemma in this page-turning debut novel.

My Enemy's Cradle

NEW YORK TIMES BESTSELLER • Pierce Brown's relentlessly entertaining debut channels the excitement of The Hunger Games by Suzanne Collins and Ender's Game by Orson Scott Card. "Red Rising ascends above a crowded dystopian field."—USA Today ONE OF THE BEST BOOKS OF THE YEAR—Entertainment Weekly, BuzzFeed, Shelf Awareness "I live for the dream that my children will be born free," she says. "That they will be what they like. That they will own the land their father gave them." "I live for you," I say sadly. Eo kisses my cheek. "Then you must live for more." Darrow is a Red, a member of the lowest caste in the color-coded society of the future. Like his fellow Reds, he works all day, believing that he and his people are making the surface of Mars livable for future generations. Yet he toils willingly,

trusting that his blood and sweat will one day result in a better world for his children. But Darrow and his kind have been betrayed. Soon he discovers that humanity reached the surface generations ago. Vast cities and lush wilds spread across the planet. Darrow—and Reds like him—are nothing more than slaves to a decadent ruling class. Inspired by a longing for justice, and driven by the memory of lost love, Darrow sacrifices everything to infiltrate the legendary Institute, a proving ground for the dominant Gold caste, where the next generation of humanity's overlords struggle for power. He will be forced to compete for his life and the very future of civilization against the best and most brutal of Society's ruling class. There, he will stop at nothing to bring down his enemies . . . even if it means he has to become one of them to do so. Praise for *Red Rising* “[A] spectacular adventure . . . one heart-pounding ride . . . Pierce Brown’s dizzyingly good debut novel evokes *The Hunger Games*, *Lord of the Flies*, and *Ender’s Game*. . . . [Red Rising] has everything it needs to become meteoric.”—*Entertainment Weekly* “Ender, Katniss, and now Darrow.”—Scott Sigler “Red Rising is a sophisticated vision. . . . Brown will find a devoted audience.”—*Richmond Times-Dispatch* Don’t miss any of Pierce Brown’s *Red Rising Saga*: **RED RISING • GOLDEN SON • MORNING STAR • IRON GOLD • DARK AGE • LIGHT BRINGER**

Red Rising

Indian diplomacy, a veteran told Shashi Tharoor many years ago, is like the love-making of an elephant: it is conducted at a very high level, accompanied by much bellowing, and the results are not known for two years. In this lively, informative and insightful work, the award-winning author and parliamentarian brilliantly demonstrates how Indian diplomacy has become sprightlier since then and where it needs to focus in the 21st century. Explaining why foreign policy matters to an India focused on its own domestic transformation, Tharoor surveys the country's major international relationships, evokes its soft power and global responsibilities, analyses the workings of the Ministry of External Affairs and parliament and assesses the impact of public opinion on government policy. Indeed, Tharoor presents his ideas about a contemporary new grand strategy for the nation, arguing that India must move beyond non-alignment to multi-alignment. This book sets out a clear vision of an India now ready to assume global responsibility in the contemporary world. *Pax Indica* is another substantial achievement from one of our finest Indian authors.

Pax indica : India and the world of the 21st century

The leading ancient world historian and author of *Caesar* presents “an engrossing account of how the Roman Empire grew and operated” (Kirkus). Renowned for his biographies of Julius Caesar and Augustus, Adrian Goldsworthy turns his attention to the Roman Empire as a whole during its height in the first and second centuries AD. Though this time is known as the Roman Peace, or *Pax Romana*, the Romans were fierce imperialists who took by force vast lands stretching from the Euphrates to the Atlantic coast. The Romans ruthlessly won peace not through coexistence but through dominance; millions died and were enslaved during the creation of their empire. *Pax Romana* examines how the Romans came to control so much of the world and asks whether traditionally favorable images of the Roman peace are true. Goldsworthy vividly recounts the rebellions of the conquered, examining why they broke out, why most failed, and how they became exceedingly rare. He reveals that hostility was just one reaction to the arrival of Rome and that from the outset, conquered peoples collaborated, formed alliances, and joined invaders, causing resistance movements to fade away.

Pax Romana

Soon after his elevation to the post of General Secretary of the Communist Party of China, Xi Jinping rapidly consolidated power at home and expanded China's influence in the international system. His desire to achieve the 'China Dream' by the middle of the century has seen him steadily erode the norm of 'collective leadership' at home and has made China's presence across Eurasia and the Indo-Pacific more expansive. He has determinedly set about reshaping the world order for the benefit of his Communist Party. Samir Saran and Akhil Deo offer a retrospective reading of how this came to be—tracing the key policy shifts that have come to

define China in the Xi Jinping Era. From the creation of the Asian Infrastructure Investment Bank to the Doklam standoff, they identify pivotal decisions and events that have shaped China's engagement with the world-and how global powers, especially India, have responded to the Middle Kingdom's rise.

PAX SINICA

Pax Samson: The Cookout is the first volume in a new action-packed, fantasy trilogy that depicts a world struggling to find peace in the midst of threats, and a young superhero chef torn between following his passion and following in his family's footsteps. When it comes to the kitchen, no one knows cooking better than twelve-year-old Pax Samson. He's a hero when it comes to testing recipes and supplying copious amounts of Dragon Noodle Soup at his family's cookouts. It's tough being a master chef, though, when the rest of his family are world-famous superheroes, and they expect Pax to take up the beacon to keep the world safe with his telekinetic powers. Pax's home planet of Soltellus is home to all walks of life, including humans, gods, as well as elves, orcs, dragons, sprites and other fantasy races known as the "Enchanted" all living in a modern society similar to our own. Among them is the Samson family, led by the fearless and mighty Grandma Samson, the greatest superhero to ever live and the person responsible for always saving Soltellus when trouble strikes. She's been doing it for hundreds of years, but she's ready for the younger generation of Samsons, including Pax, to step up. When the mad god Odin, long-time enemy to the Enchanted race and arch-rival to Grandma, resurfaces in another attempt to regain power, Pax will attempt to put his training into practice, but ends up just making things worse. Tempted to hang up the superhero cape and stick to the kitchen, Pax faces the toughest decision yet when a legendary savior of the Enchanted people arrives, along with a startling discovery that there might be parts of the Soltellus history that are wrong. Pax, determined to protect his family and friends, will do everything he can to stop the new threats set on disrupting the peace between humans and the Enchanted.

Pax Samson Vol. 1

In *The End of Pax Americana*, Naoki Sakai focuses on U.S. hegemony's long history in East Asia and the effects of its decline on contemporary conceptions of internationality. Engaging with themes of nationality in conjunction with internationality, the civilizational construction of differences between East and West, and empire and decolonization, Sakai focuses on the formation of a nationalism of hikikomori, or "reclusive withdrawal"—Japan's increasingly inward-looking tendency since the late 1990s, named for the phenomenon of the nation's young people sequestering themselves from public life. Sakai argues that the exhaustion of Pax Americana and the post--World War II international order—under which Taiwan, South Korea, Hong Kong, and China experienced rapid modernization through consumer capitalism and a media revolution—signals neither the "decline of the West" nor the rise of the East, but, rather a dislocation and decentering of European and North American political, economic, diplomatic, and intellectual influence. This decentering is symbolized by the sense of the loss of old colonial empires such as those of Japan, Britain, and the United States.

The End of Pax Americana

The second in the trilogy, this work captures the British empire at its dazzling climax—the diamond jubilee of Queen Victoria in 1897, celebrated as a festival of imperial strength, unity and splendor. Portrays the British at the height of their vigor, imposing their traditions and tastes on peoples of the world.

Darryl Lyons, founder of PAX Financial Group in San Antonio, TX, is passionately focused on teaching and guiding the middle class on money issues that keep them up at night. He has been talking money and finances with people for decades and his practical approach has helped thousands of families.

18 To 80

This work argues that the influence of neoconservatives has been none too small and all too important in the shaping of this monumental doctrine and historic moment in American foreign policy. Through a fascinating account of the central figures in the neoconservative movement and their push for war with Iraq, he reveals the imperial designs that have guided them in their quest for the establishment of a global Pax Americana.

Imperial Designs

Five years to the day, almost to the second, after he disappeared from the Manhattan Psychiatric Institute, leaving his host body in a catatonic state, the being known as prot (rhymes with goat) has returned. Now, in sixteen more sessions with psychiatrist Gene Brewer, prot reveals that he has come back to escort a chosen few to his home planet, K-PAX. K-PAX is an idyllic planet free of the pain and suffering of earth. Prot has incredible insights into how to cure that suffering, and his radical ideas have made him a celebrity. Now, legions of people are longing to follow him home. But Dr. Brewer has heard it before. Five years ago, he discovered another person buried deep in prot's personality: Robert Porter of Montana. The mystery of Robert's illness and of prot's true origins lie deep within Robert's shattered psyche. Now Dr. Brewer must race against the clock to unlock the secrets of Robert's traumatic past and not only save his patient but maybe humanity.

On a Beam of Light

Call him the Maestro! In a broken future, the man once known as the Hulk is now neither man nor Hulk. After deposing Dystopia's ancient ruler, the Maestro sets his sights even higher. It's time everyone left on the ravaged planet Earth recognized their one true god! But the Maestro isn't the only would-be immortal left - and if he wants to truly dominate the globe, he'll have to face the most powerful beings left in creation. The Pantheon sees all - including a Hulk too powerful to leave alive! And just when his former allies have him on the ropes, the Maestro's true enemy shows his face at last - and nobody's going to like the future he has planned! Peter David continues the tale he began decades ago in the legendary HULK: FUTURE IMPERFECT! Collects MAESTRO: WAR AND PAX #1-5.

Maestro

In peak physical shape from hitting the gym hard in the offseason? Check. Officially the highest paid defenseman on the Sin City Saints? Check. Faking a relationship with a woman he's secretly crazy in love with? Yeah, that's a big check. The son of a legendary pro basketball player, Pax Bishop was poised to follow in his father's footsteps when life took him in another direction. Now a pro hockey player, he must find a way to reject the advances of the daughter of his team's new owner without offending her. Kylie Thomas gives Pax the perfect out. She's single, and pretending to be attracted to her? That won't be an issue for Pax, because he's secretly had it bad for her since the day they met. He can't let his true feelings show, though, because not only is Kylie a single mom and a widow, she's Pax's teammate's sister. Sometimes the truth hurts, but it can also be deeply, maddeningly good. The stakes are high as Pax opens his wounded heart in hopes he's not the only one whose feelings are more than just a bluff. Perfect for fans of Hanna Grace, Teagan Hunter, Hannah Gray, Robyn Carr, Helena Hunting, Elle Kennedy, Catherine Gayle, Avon Gale, Toni Aleo, Kristen Callihan, LJ Shen, Corinne Michaels, Jana Aston, Karina Halle, Meghan March, Jay Crownover, Anna Todd, Geneva Lee, Audrey Carlan, Jill Shalvis, Suzanne Brockmann, Helen Hoang, Christina Lauren, Kristan Higgins, Sally Thorne, Penelope Sky, Vi Keeland, Penelope Ward, Debbie Macomber, Nora Roberts, Maisey Yates, Sarah Mayberry, Elle Kennedy, Lauren Blakely, Susan Mallery, Penny Reid, Julia Kent, Kelly Jamieson, Melanie Harlow, Carrie Ann Ryan, Kendall Ryan, Kennedy Ryan, Helen Hardt, Meghan March, Julia Kent, Meli Raine, Sylvia Day, Chelle Bliss, Sarina Bowen, Natasha Madison, Kylie Scott, Helena Hunting, Sloane Kennedy, Penelope Sky, Elle Kennedy, K.A. Where did the tree house come from? Before Jack and Annie can find out, the mysterious tree house whisks them to the prehistoric past. Now they have to figure out how to get home. Can they do it before dark or will they become a dinosaur's dinner?

Semiosis: A novel of first contact

Pax has made it through the trials of his first year at Scholastic Parliament, but any hopes of a quieter second year are quickly dashed when he makes a shocking discovery in the school's basement. A new student joins the school, acting suspiciously and muscling in on Pax's friendship with Samuel. At least being reigning champions in the Parliamentary Polls allows Pax and his friends to explore the city at weekends. But drone raids and cyber-attacks disrupt life in New London while a paranoid mayor cracks down hard on terrorism. Unwittingly, Pax helps an innocent man get captured. Driven by guilt, he seeks out the Underground resistance movement and is given a mission to steal some codes from the mayor. In the process, Pax uncovers the shocking truth about a new factory that threatens the lives of millions of people. He is torn between stopping this latest sinister plot and focusing on schoolwork to keep alive his dream of becoming an engineer. To achieve both, he'll need help. But who can he trust in a city full of falsehoods? What sacrifices will he need to make? Find out in the latest instalment in the London Falling series.

Dinosaurs Before Dark

In a country beset by civil war, New London defends itself behind a giant wall. Inside the city, children are forced to work from an early age, except for the lucky few who train to be leaders in the re-purposed Palace of Westminster. 12-year-old orphaned Pax is brilliant at recycling old tech. He enjoys working on the verti-farms and just wants a bit of peace and quiet. But when that is taken away from him, his only hope is to pass a near-impossible exam and join the other students in Scholastic Parliament. There he'll make new

friends and new enemies. He'll get tested like never before. And he'll discover that not everything is quite what it seems under the mayor's harsh leadership.

PAX and the Forgotten Pincher

Perhaps in defiance of expectations, Roman peace (pax) was a difficult concept that resisted any straightforward definition: not merely denoting the absence or aftermath of war, it consisted of many layers and associations and formed part of a much greater discourse on the nature of power and how Rome saw her place in the world. During the period from 50 BC to AD 75 - covering the collapse of the Republic, the subsequent civil wars, and the dawn of the Principate-the traditional meaning and language of peace came under extreme pressure as pax was co-opted to serve different strands of political discourse. This volume argues for its fundamental centrality in understanding the changing dynamics of the state and the creation of a new political system in the Roman Empire, moving from the debates over the content of the concept in the dying Republic to discussion of its deployment in the legitimization of the Augustan regime, first through the creation of an authorized version controlled by the princeps and then the ultimate crystallization of the pax augusta as the first wholly imperial concept of peace. Examining the nuances in the various meanings, applications, and contexts of Roman discourse on peace allows us valuable insight into the ways in which the dynamics of power were understood and how these were contingent on the political structures of the day. However it also demonstrates that although the idea of peace came to dominate imperial Rome's self-representation, such discourse was nevertheless only part of a wider discussion on the way in which the Empire conceptualized itself.

Pax and the Missing Head

In November, 2001, I was sued, along with almost everyone else connected with the film version of my novel K-PAX, for plagiarizing an Argentinean movie called Man Facing Southeast (the suit was later dismissed). At about the same time, dozens of letters arrived from fans asking where the ideas for the book/film originated. Together, these developments led me to ponder how my difficult life had led me to become a writer, and how I came to write K-PAX in particular. The resulting memoir includes excerpts from unpublished work, and ends with a chapter of advice for other would-be novelists.

P.R.S. International, Inc. V. Shred Pax Corporation

Liminal is a self-contained tabletop roleplaying game about those on the boundary between the modern day United Kingdom and the Hidden World- the world of secret societies of magicians, a police division investigating Fortean crimes, fae courts, werewolf gangs, and haunted places where the walls between worlds are thin. The players portray Liminals - those who stand between the mortal and magical realms, with ties to each. Examples of Liminals include: A magician who acts as a warden to protect unaware mortals from supernatural menaces Someone of mysterious birth who is perhaps half Fae. In any case they are caught up in Faerie politics whether they like it or not A burglar who steals supernatural relics. A werewolf who still has many ties to ordinary people. A dhampir, striving to do good despite their vampiric infection. A mortal detective who knows some of the real strangeness out there. The magical world has a basis in British and Irish folklore and legends, along with ghost stories and modern day popular takes on the supernatural in fiction. Inspirations from fiction include the real world fantasy novels of Ben Aaronovitch, Jim Butcher, Emma Bull, Susanna Clarke, Harry Connolly, Charles de Lint, Neil Gaiman, Benedict Jacka, and Helene Wecker. Made in the UK.
