Tom Tiddler's Ground

Follows the adventures of Rosie's hat over the years since it blew off her head in a sudden gust of wind.

1861. Tom Tiddler's ground, by C. Dickens [and others]

There was a story that Mama read to Jiro: Once, in old Japan, a young woodcutter lived alone in a little cottage. One winter day he found a crane struggling in a snare and set it free. When Jiro looks out the window into Mr. Ozu's garden, he sees a crane and remembers that story. Much like the crane, the legend comes to life—and, suddenly, Jiro finds himself in a world woven between dream and reality. Which is which? Allen Say creates a tale about many things at once: the power of story, the allure of the imagined, and the gossamer line between truth and fantasy. For who among us hasn't imagined ourselves in our own

favorite fairy tale?
